

WEINGUT ROBERT WEIL

100 % Rheingau – 100 % Riesling
100 % Estate bottled – 100 % certified organic and sustainable

Today, Weingut Robert Weil, founded 1875, is run by Wilhelm Weil, the fourth generation of the family. The estate's 90 ha (222 acres) of vineyards, cultivated exclusively certified organic and sustainable, are planted 100 % with Riesling. The concentration on Riesling in the hillside vineyards of Kiedrich, a strict sustainable and yield-reducing work in the vineyards, selective hand harvest and extremely gentle vinification in stainless steel tanks or traditional wooden barrels ("Doppelstück") guarantee the production of individual and great wines. Thanks to this consistent quality management, each predicate from Estate Level ("Gutswein") to Gräfenberg (GROSSES GEWÄCHS "GG") to Trockenbeerenauslese has been harvested continuously in a globally unique series of individual vintages since 1989 at Weingut Robert Weil. Today, many observers of the international wine scene view Weingut Robert Weil with its "Château character" as a global flagship and symbol of German Riesling culture.

Kiedrich Turmberg Riesling Beerenauslese VDP.ERSTE LAGE®

WINE ORIGIN

The vineyard name of the VDP.ERSTE LAGE® is derived from the preserved keep of the former Scharfenstein Castle, which was built around 1160 on the step crag by the archbishops of Mainz for protection and a toll station. Today it is owned exclusively as a monopole by Weingut Robert Weil. The soil structure of the 3.8-hectare site represents the highest phyllite content in the Kiedricher Berg and fulfills all the requirements of a VDP.GROSSE LAGE® according to the science based quality map.

STYLE OF WINE

Finest Beerenauslese with a subtle hint of botrytis: the high concentration of ingredients and the fascinating interplay of acidity and sweetness give this Beerenauslese almost unlimited ageing potential.
