

WEINGUT ROBERT WEIL

100 % Rheingau – 100 % Riesling
100 % Estate bottled – 100 % certified organic and sustainable

Today, Weingut Robert Weil, founded 1875, is run by Wilhelm Weil, the fourth generation of the family. The estate's 90 ha (222 acres) of vineyards, cultivated exclusively certified organic and sustainable, are planted 100 % with Riesling. The concentration on Riesling in the hillside vineyards of Kiedrich, a strict sustainable and yield-reducing work in the vineyards, selective hand harvest and extremely gentle vinification in stainless steel tanks or traditional wooden barrels ("Doppelstück") guarantee the production of individual and great wines. Thanks to this consistent quality management, each predicate from Estate Level ("Gutswein") to Gräfenberg (GROSSES GEWÄCHS "GG") to Trockenbeerenauslese has been harvested continuously in a globally unique series of individual vintages since 1989 at Weingut Robert Weil. Today, many observers of the international wine scene view Weingut Robert Weil with its "Château character" as a global flagship and symbol of German Riesling culture.

WINE ORIGIN

The "Ortswein" (corresponding to village) is the high-quality "ambassador of the best terroirs", as the grapes are pre-selected from the estate's classified Kiedrich vineyards. This makes it the perfect introduction to the flavors of these cool-climate vineyards.

STYLE OF WINE

The cool-climate origins of the "Kiedricher" with their barren phyllite soils stand for an extremely mineral, high finesse wine with an elegant finish, in which the character of the three hillside vineyards is already recognizable – a village level par excellence, for sophisticated drinking, to be enjoyed soon after the harvest, but also with a possible aging for decades.
