

WEINGUT ROBERT WEIL

100% Rheingau – 100% Riesling
100% Estate bottled – 100% certified organic and sustainable

Today, Weingut Robert Weil, founded 1875, is run by Wilhelm Weil, the fourth generation of the family. The estate's 90 ha (222 acres) of vineyards, cultivated exclusively certified organic and sustainable, are planted 100% with Riesling. The concentration on Riesling in the hillside vineyards of Kiedrich, a strict sustainable and yield-reducing work in the vineyards, selective hand harvest and extremely gentle vinification in stainless steel tanks or traditional wooden barrels ("Doppelstück") guarantee the production of individual and great wines. Thanks to this consistent quality management, each predicate from Estate Level ("Gutswein") to Gräfenberg (GROSSES GEWÄCHS "GG") to Trockenbeerenauslese has been harvested continuously in a globally unique series of individual vintages since 1989 at Weingut Robert Weil. Today, many observers of the international wine scene view Weingut Robert Weil with its "Château character" as a global flagship and symbol of German Riesling culture.

WINE ORIGIN

Good from the ground up! The estate Rieslings come from the neighboring vineyards of the winery's classified hillside vineyards. As the foundation of Weil's Riesling portfolio with the highest quality standards, they are the winery's business card and the perfect introduction to the Weil Riesling world.

STYLE OF WINE

The "sibling" of the dry Guts-Riesling with a subtle tart character balanced by a fine, present acidity – an extremely charming, animating food companion, especially with "spicy food". It is called Tradition because its taste is based on the Rieslings of more than a century ago, which were not fermented completely dry at the time, but rather had a more tart taste.
